

# Match Game

This is the Match Game that goes along with the **Teaching Using Games** module in the Advanced Management Instructor Course.

To make up the game use bright colored card stock and cut out each question and answer. Put questions and answers in separate zip lock bags. Give each team a bag of questions and a bag of answers. The first team to **correctly** match each Q and A is the winner.

At section conferences 5 sets of the Match Game will be provided. Contact Karen Mihara at the NSTC (800-872-2976 Ex. 5475 if you have any questions.
